MFTransparency is dedicated to addressing the issue of transparent pricing in the microfinance industry. We work internationally on a country-by-country basis. Our methodology consists of four main components: pricing disclosure, training and education, policy advisory and advocacy.

MFTransparency enables transparent communication among market players on the prices of microcredit products. We present information on credit products and their prices in a clear and consistent fashion, so that all microfinance stakeholders can work with a full understanding of the true prices paid by clients. Additionally, we promote the use of Annual Percentage Rate (APR) and Effective Interest Rate (EIR) as standards for communicating pricing that allow comparison between products.

MFTransparency provides training and education to the broad range of stakeholders to ensure that transparency leads to a strengthening of the microfinance industry. MFTransparency's pricing experts train microfinance institutions, investors and donors, regulators and industry support organizations at workshops and conferences around the world. We disseminate straightforward educational materials to enable all microfinance stakeholders to better understand the concept and function of interest rates and product pricing.

MFTransparency works with regulators and policymakers of microfinance markets to support the development of effective policies for pricing disclosure and client protection. We provide regulators with training and
